Greetings Friends —

We’ve finished another wonderful year of empowering women through education thanks to your ongoing support. Due to your generosity, we were able to help over 166 women fulfill their dreams of pursuing post-secondary education this year. They are leading the way for their families to attain self-sufficiency and build a better life.

CREATE A SUSTAINABLE ORGANIZATION
We were the fortunate recipients of four Endowed Scholarships this year. We are grateful to Sarajane Love, Mimi Sodhi, Heather Kleiner, and Sue Bailey for investing in our long term sustainability. An Endowed Scholarship is the gift that keeps on giving, changing the trajectory of a woman’s life as well as that of her family.

GROW THE SCHOLARSHIP PROGRAM
Emerge Scholarships was an Atlanta based scholarship fund for nontraditional women students in Georgia. We are happy to report that Emerge Scholarships has now become part of the Jeannette Rankin Women’s Scholarship Fund. We are over the moon excited to have this wonderful program as part of JRF. We started the Emerging Scholars Finish Line Fund to help Georgia women with retroactive scholarships (for shortages they had with their tuition or fees.) We were able to fund 34 women across the Technical College System of GA with grants ranging from $40 to $700.

DEVELOP A NATIONAL PRESENCE AND IDENTITY
FY19 was a banner year in that we received our first multi-year, multi-partner grant from the Strada Education Network. We received $82,800 to fund scholarships specifically for cybersecurity studies at Bay Path University. The total grant involved nine partners and was funded for $1.5M.

STRATEGIC PLAN FOR FY20-23
The Three Pillars remain the same. The big news is that after three years of increasing the number of scholarships provided we’ve made a commitment to spending the next four years increasing the amount of the scholarship award. The cost of a college education has risen 85% since 2002, the year we started granting $2,000 scholarships. In shaping our Strategic Plan, the Board of Directors decided to raise the amount of a scholarship by $500 a year for the next four years. Next year the scholarship award will be $2,500 and will increase by $500 a year up to $4,000 a year in FY24.

We continue our journey with you as our partners. Many many thanks,

Karen Sterk
CEO
Jeannette Rankin
Women’s Scholarship Fund

Michelle Cook
Board Chair
Jeannette Rankin
Women’s Scholarship Fund
Jeannette Rankin Women’s Scholarship Fund provides scholarships and support to low-income women aged 35 and older across the U.S. to build better lives through post-secondary education.

**Program Overview**

- **91%** of JRF Scholars either graduated or persisted towards their degree last scholarship year.
- **64%** of JRF Scholars have graduated from college.
- **17%** of JRF Scholars have gone on to graduate school.
- **75%** of JRF Scholars are single head of household.
- **48%** of JRF Scholars are the first in their family to go to college, breaking the cycle of poverty for future generations.

*compared to the national average* of 31% from this demographic that graduate within six years of starting and 8% of women with children who graduate within six years.  

— Institute for Women’s Policy Research

**Significant earnings increase** for women based on education:

- **No HS Diploma**: $0
- **HS Diploma Only**: $13,750
- **Associate’s**: $27,500
- **Bachelor’s**: $55,000

**$16,000** in proceeds from Jeannette Rankin’s property in Georgia that became the seed money for the Jeannette Rankin Foundation.

**$3 million** distributed in scholarships.

**$19,920** is the median household income for JRF Scholars, with an average household size of 3.

2018-19 JRF Scholars

Jeannette Rankin Women’s Scholarship Fund
Jacqueline had always dreamed of becoming a teacher, and found herself struggling to make ends meet with an $18,000 salary to support her family of four, working in low-income jobs and living in low-income based housing. She saw a familiar cycle of poverty repeating itself, and knew something needed to change. So, at 40 years old she enrolled in college to receive her Associate’s of Arts in Early Childhood Care and Education. She applied for the Jeannette Rankin Foundation Scholarship. Jacqueline was shocked when she received the funding, and says that it was so much more than just the monetary support that was a blessing during school- it was the JRF support system that carried her through.

Now, Jacqueline has graduated and is the Manager of School and Outreach programs at the Children’s Museum of Atlanta. She is impacting the lives of children every day in her role, and is able to better support her family. She also serves on the Jeannette Rankin Foundation Board of Directors and is empowering women through education daily as well.

“Without JRF’s funding, it would have been very difficult for me to make it through my program. I know that so many doors were opened to me because of my decision to further my education. Thanks to JRF, I will be able to continue to mentor, volunteer, and serve my community by giving back what JRF has given to me!”
BREEZY B., GRAND RAPIDS, MI
Interdisciplinary Health Services
Breezy’s end goal is to become a pediatric occupational therapist. She is currently pursuing a Bachelor’s of Science in Interdisciplinary Health Services, and hopes to enter Western Michigan University’s fast-track Occupational Therapy Program, which would allow her to graduate in five years with both her Bachelor’s and Master’s degrees. Breezy wants to work with children with special needs as an Occupational Therapist. Years ago, she had the opportunity to work for a family who had an infant on the autism spectrum. She took him to occupational therapy appointments and her interest was piqued from then on. After making a hard decision to leave an unhealthy relationship and situation, Breezy had to completely start over. Ten years later, she is making her dreams a reality and supporting her children.

“I know that with my supportive family and my determination I can do this. The only obstacle is finances, but I will find a way to make it work! I know I’ll be a good occupational therapist, and maybe someday I’ll even teach occupational therapy classes. Even now, at almost 40, I am so excited about my future!”
Vanessa is on her way to becoming an Environmental Engineer. At age 29, two discs in her neck ruptured, making it difficult for her to work for years to come. After working in construction, Vanessa was inspired to reduce the large amounts of waste she was seeing daily. However, she knew she could not make a change without her Bachelor’s Degree in Environmental Engineering. Vanessa has now graduated with her Bachelor’s Degree! She even worked on research projects during her time in undergrad with her academic advisor to learn more and build up her experience in the field. Vanessa is excited to use her knowledge to educate the public on how personal changes can impact the environment, and to continue to serve people in any way she can.

“This is the first semester I have actually had enough money for everything I have needed; food, gasoline, supplies, and my spinal injury, it was all covered. I am sincerely grateful. Thanks to your funding, this semester I was able to finish strong, without pain, and I increased my GPA.”
LYNNAE W., MINNEAPOLIS, MN
Health Science

Lynnae is a JRF Scholar enrolled at North Hennepin Community College pursuing an Associates in Health Science. Her plans after graduation are to work at a medical center in Minneapolis as a registered nurse and provide high quality healthcare to patients. Since high school, Lynnae had dreams of becoming a nurse but life circumstances forced her to have to put that dream on hold. At 19, she became entirely responsible for her 7 younger siblings as well as her own child and her niece. For many years, her life was dedicated to providing for her family and led her to be drawn to work that involved caring for others. In the fall of 2013, she decided it was time for her to pursue her ultimate goal of becoming a nurse and although it is challenging, Lynnae is not giving up and is making steady progress towards her degree!

“The Jeannette Rankin Scholarship has lessened the financial burden of continuing my education. I am so grateful for the commitment of my family as I go through this journey. I also work 10 hour days Friday-Sunday to compensate for my lost wages while attending school. The scholarship has been an amazing financial blessing for me to continue within the sonography program.”

Lynnae
YU J., SAINT PAUL, MN
Parent and Family Education

Yu is a JRF Scholar enrolled at Concordia University pursuing a Bachelor’s degree in Parent and Family education with a minor in Education. Her career goal is to become an expert in Early Childhood Education, Parent, and Family Education. Education is very important to Yu because she wants to help young children to dream big and develop fully so they pursue those dreams. She wants to use the knowledge she gains in college to give back to her community and create a better life for herself and her mother.

“The Jeannette Rankin Scholarship helped me pay for my tuition, which is very important to me and my family! In order to achieve academic excellence and complete my education degree sooner, I need to spend more time on studying. That limited my choice of working for income during schooling. Besides, my mother lives with me; she can not work due to aging and language barrier, and I am her primary caregiver. I really want to provide my mom a good life, that is one of the reasons that I’m trying to accomplish my degree and start a new job as soon as possible. I am very grateful for the financial support from Jeannette Rankin Scholarship!”

“I really want to provide my mom a good life... I’m trying to accomplish my degree and start a new job as soon as possible.
ALEXANDRA KILPATRICK ENDOWED SCHOLARSHIP - ENDOWED BY DONNA ZENOR

Alexandra Kilpatrick, better known as Alix, lived a life in which she focused on pursuing her dreams, from working at a theater in Paris, France, to opening a yoga studio in New Zealand, to flying for American Airlines. She was passionate about having a full life, and as she got older, she realized that she wanted to leave a legacy to help empower others to live a full life. She asked her cousin and childhood best friend, Donna Zenor, to research organizations that “enhance the lives of women through education,” leading to the discovery of Jeannette Rankin Women’s Scholarship Fund. Unfortunately, Alix died suddenly and was unable to leave the funds directly to JRF, but that didn’t stop Donna from doing everything she could to make sure Alix’s wish was honored.

“Alix is one of the most generous spirits to have ever inhabited this earth and the scholarship fund which the donor is establishing upon her death should be counted as one of the many gifts which are her legacy,” says Donna. The Alexandra Kilpatrick Endowed Scholarship Fund, which we received in 2016, has been transformative, allowing us to empower more women. We are so grateful that Alix cared so deeply about the women we serve and that Donna found us. This gift will transform the lives of JRF Scholars and their families for years to come.
Heather Kleiner is one of Jeannette Rankin Foundation's Founders. She helped establish the Women's Studies Program at UGA where she taught and advised for several years.

Dr. Catherine Ballou Kleiner is the daughter of JRF Founder Heather S. Kleiner and her husband Scott. She was born in Lynchburg, VA, in 1966 and moved with her family to Athens, GA, in 1969, where she attended schools until her junior year in high school. The final two years were spent at Northfield Mt. Hermon School in Massachusetts. She went on to Wellesley College for her BA, then to Duke University for a master’s degree in African-American Studies, and finally, to the University of New Mexico for a Ph.D. in Women's History.

The same year she completed her doctoral degree, Dr. Kleiner was diagnosed with secondary progressive Multiple Sclerosis, and she returned to Georgia to be with her family. Unable to pursue a career in college teaching, she gave talks and lectures in and around Athens until she was no longer mobile. An ardent feminist and LBGTQ supporter, Dr. Kleiner has maintained her interest in their concerns for many years.

Her parents are proud to recognize her ongoing and enthusiastic commitment to women and their education with The Catherine Ballou Kleiner Endowed Scholarship Fund.
Sue Bailey is one of JRF’s Founders. She was one of the first women to attend and graduate from UGA Law School. She was inspired to endow a scholarship in her parent’s names because they sponsored a scholarship at JRF each year when they were alive. She invested funds inherited from them into an Endowed Scholarship in honor of their commitment to JRF.

George and Mary Bailey were the parents of Susan R. Bailey. Both George and Mary attended college during the depression, giving them a deep appreciation for higher education. Lack of funds forced Mary to withdraw from a private woman’s college to attend a state school. She graduated in 1934 from Murray State College with a degree in Mathematics. George attended Georgia Institute of Technology on the co-op program, graduating with a degree in Civil Engineering in 1936. As part of the co-op program, George worked as a bellhop and an usher at the Fox Theater.

Both Mary and George utilized their college degrees, Mary as a high school math teacher and George as a technical sales person in the aluminum industry. He served in the Army in World War II and the Korean War, designing tanks, then continuing his service in the Army Reserves until his retirement as a Lt. Colonel.

Remembering their time in college when scholarships were minimal and grants and loans for education were not available, George and Mary donated funds for JRF scholarships during the 1980s and 1990s, honoring their daughter. In their memory, Susan created *The George and Mary Bailey Endowed Scholarship* in May 2019.
Sarajane Love recently retired from the UGA Law School as a professor of Wills & Trusts. She has been a long time friend and supporter of Jeannette Rankin Foundation, going back to the 1980’s.

The Mattie Newton Traylor Endowed Scholarship Fund honors the memory of Mattie Newton Traylor (1888-1974) who was born and raised in rural Troup County, Georgia. She graduated with honors from Agnes Scott College in 1909. She returned to Troup County, married L.H. Traylor, and raised a family of three. She was always active in her church and the community of LaGrange, where she lived. Before and after raising her children, she was a beloved schoolteacher at several institutions. She ended her career teaching literature and social studies at the junior high in La Grange for seventeen years. She was not just intelligent, but wise, and her calm quiet demeanor set an example for all who knew her.
Mimi Sodhi has been a long time friend of JRF, serving as a Board Member from 2008-2010. She returned to Athens in 2019 after working abroad and immediately re-engaged with JRF as a Volunteer Racial Justice Facilitator. We are grateful for her gift in memory and honor of her mother Dr. Hardeep Sodhi.

Dr. Hardeep Sodhi left India in the late 50’s and came to the United States to join her husband and do her Medical Doctor Residency. While in the states, she gave birth to their daughter Mimi. At that time in America, she and her family experienced a lack of cross cultural understanding and acceptance. Ultimately, they decided that America was not the place for them. She and her husband decided to return to India, and stopped over in London on the trip home. While there, her husband was offered a partnership in a medical practice, so they made the decision to stay in London. Dr. Hardeep Sodhi became a General Practitioner MD and served the people of London for many years. She gave birth to two more daughters and lived out a full life in London.

Dr. Sodhi traveled the world and instilled in her daughters the desire to create understanding and acceptance across cultures. She died on August 6, 2017. In her honor, her daughter Mimi Sodhi created the The Hardeep Sodhi Endowed Scholarship Fund, a scholarship for JRF scholars pursuing degrees in the helping professions of nursing, social work, childcare, or teaching.

Emerge Scholarships was an Atlanta based scholarship fund for nontraditional women students in Georgia. In FY19 Emerge Scholarships became part of the Jeannette Rankin Women’s Scholarship Fund. We are over the moon excited to have this wonderful program as part of JRF. We started the Emerging Scholars Finish Line Fund to help Georgia women with retroactive scholarships (for shortages they had with their program.) We were able to fund 34 women across the Technical College System of GA with grants anywhere from $40 to $700. We look forward to deepening our relationships with the women we serve in Georgia in general and in the Atlanta metro area specifically.

$11,254 in scholarships awarded to 34 women
4 graduates in May 2019
100% employment rate for all Spring graduates
97% persistence rate for 2019 awardees
Average age of awardees is 37 years old

I can’t begin to tell you how many sleepless nights I’ve had worrying about how my tuition was going to get paid… You gave me the opportunity to continue my education.

This scholarship means the world to me… I’m able to continue on this semester.

I will forever be grateful for the Emerging Scholars Finish Line Fund. Thank you for making a difference in my present life thus adding more value to my future!
